FOR IMMEDIATE RELEASE

Long-Term Ramp Closure Scheduled for I-10 HOV Construction Project

West Covina – Beginning Monday, March 26 the California Department of Transportation (Caltrans) will close the **westbound San Bernardino Freeway (I-10) Citrus Street on-ramp** as part of the High Occupancy Vehicle lane construction project. Motorists attempting to access I-10 may experience delays and are encouraged to use alternate routes. The ramp closure will remain in effect through June 2018. Detour signs will be posted.

Detour signs will be posted. Guy F. Atkinson Construction, LLC. is the contractor on this project, which will add an HOV lane in each direction of I-10 between Citrus Street and SR-57. This is the final of three projects that upon completion will offer one continuous HOV lane from downtown Los Angeles to San Bernardino County.

Caltrans thanks you for patience and understanding during construction and reminds you to **"Be Work Zone Alert."**

BE WORK ZONE ALERT
